The American Chemical Society’s Committee on Environmental Improvement (CEI) and Division of Environmental Chemistry (ENVR) will host an Environmental Film Competition & Showcase at the ACS National Meeting in San Diego, CA, August 25–29, 2019. The selection committee seeks quality films that are 9-12 minutes focused on environmental issues that provide meaningful, constructive and encouraging entertainment, while harnessing the transformative power of film. Finalists will be screened at the showcase during the San Diego meeting.

We encourage filmmakers and scientists to collaborate on projects to get the highest quality film filled with the most accurate, relevant information.

**FILM CRITERIA**
The 2019 Fall National Meeting theme is Water; therefore, films focused on the following themes are invited to apply:
- Water’s effect on land
- Water’s effect on people
- Water’s effect on chemistry
- Environmental issues

**AWARDS AND PRIZES**
- "Best Of" for each category for both student and regular submissions.
- Cash prizes for four top awards.
