		AM	PM	EVE	AM	PM	EVE	AM	PM	EVE	AM	PM	AM	PM
Artificial Water Channels for Water Purification & Desalination	Room 29A, SDCC													
Artificial Water Channels for Water Purification & Desalination	Room 31C, SDCC													
Biochar & Hydrochar for Energy, Environmental & Agricultural Applications	Room 28D, SDCC													
C. Ellen Gonter Environmental Graduate Student Award Symposium	Room 29A, SDCC													
Catalysis for Environmental & Energy Applications	Room 28A, SDCC													
Catalysis for Environmental & Energy Applications	Room 28B, SDCC													
Chemistry & Applications of Free Radical- based Technologies for Water Treatment & Purification	Room 28A, SDCC													
Chemistry of Water Reuse Processes Toward Water Sustainability	Room 28D, SDCC													
Current Advances in Water Analysis: From Citizen Scientists to Laboratory Breakthroughs	Room 28A, SDCC													
Emerging Contaminants in Wastewater	Room 28B, SDCC													
Fundamental Chemical Processes Common to Dissolved Organic Matter & Atmospheric Organic Aerosols	Room 28E, SDCC													

ORAL SESSIONS	Location		Sunday			Monday			Tuesday		Wednesday		Thursday

Green Chemistry & the Environment	Room 29A, SDCC													
Legacy & Emerging Per- & Polyfluoroalkyl Substances: Identification, Fate, Transport, Exposure, & Removal	Room 28B, SDCC													
Nanomaterials & Sustainability	Room 28C, SDCC													
Non-targeted Analysis to Understand Fate & Effects of Pharmaceuticals & Emerging Contaminants in Agriculture & Natural Environments	Room 28E, SDCC													
Plastics in Aquatic Environments, Part II: Transport, Fate & Global Impacts	Room 30A, SDCC													
Safeguarding Water Quality in a Climate of Change	Room 28C, SDCC													
Sensors & Biosensors for Widespread Environmental Monitoring	Room 28A, SDCC													
Sensors for Water Quality Assessment in Resource Limited Environments	Room 29A, SDCC													
Showcasing Emerging Investigators & Future Perspectives: A symposium by the RSC Environmental Science Journals	Room 29A, SDCC													
Stormwater Treatment & Green Infrastructure: From Research to Practice	Room 29A, SDCC													
Wastewater-Based Epidemiology: Opportunities, Challenges & Applications to Public Health & Safety	Room 28E, SDCC													
Water in the Solid State: Reactions & Interactions with Impurities	Room 28C, SDCC													
Water, Health, & Environmental Justice in Marginalized Communities	Room 28E, SDCC
